Subject: Authorize Payment of Invoices

WRECO, an on-call geotechnical consultant for Public Works, was contracted to perform a geotechnical evaluation for the Sundance Hills Minor Land Division development. Initial services were performed just prior to completion of fiscal year 2015-16, while subsequent services were completed shortly thereafter in fiscal year 2016-17. The fees for these services were inadvertently not paid prior to the end of the fiscal year. In order to pay these invoices, your Board's authorization is required. Funds are available in GL Key 601000.

It is therefore RECOMMENDED that your Board authorize the payment of two invoices in the total amount of \$3,478.53 to WRECO for geotechnical services performed in fiscal years 2015-16 and 2016-17.
