**Subject:** Approval of DMV MOU

As part of their business requirements, the Department of Public Works, the Treasurer-Tax Collector's Office and the Assessor's Office need direct online access to information and records help by the State Department of Motor Vehicles (DMV).

In order to gain access to this information and records, DMV requires the Information Services Department sign a Memorandum of Understanding (MOU) between the County of Santa Cruz and DMV that outlines the security and use requirements for this access. There is no cost to the County for DMV access or this MOU.

The MOU has been in place for over 15 years and is regularly renewed. The current term for the MOU is for forty eight months.

It is, therefore, RECOMMENDED that your Board approve the Memorandum of Understanding with the Department of Motor Vehicles and authorize the Director of Information Services Department to sign the Memorandum of Understanding.
