Subject: East Zayante Road Annexation to the San Lorenzo Valley Water District
LAFCO No. 962

The property owner of APN 073-041-12 and 073-041-13 off East Zayante Road in Felton has applied to LAFCO to annex the parcels to the San Lorenzo Valley Water District. The purpose of the proposed annexation is to provide domestic water for a house to be constructed on each parcel. In 2015, LAFCO received an application to annex these parcels, but the proposal was never set for public hearing.

I am preparing environmental review and a staff report for LAFCO's consideration of this proposal. Please forward any comments so that I receive them no later than March 7, 2018.
