

## **County of Santa Cruz Board of Supervisors**

### **Agenda Item Submittal**

**From:** DPW: Road Design

(831) 454-2160

**Subject:** Ratify Contract Award for Two Bar Rd PM 1.13, 2017 Storm Damage Repair

**Meeting Date:** October 20, 2020

### **Recommended Action**

Ratify award of contract No. 21D0514 with Reber Construction Company Inc., of Santa Cruz, California in the amount of \$450,346 for the Two Bar Road PM 1.13 2017 Storm Damage Repair project, FEMA Project Number #SZSC45C.

### **Executive Summary**

Ratify the contract award for the Two Bar Road PM 1.13 2017 Storm Damage Repair project, FEMA Project Number SZSC45C with Reber Construction Company Inc., of Santa Cruz, California for \$450,346.

### **Background**

On June 30, 2020, the Board approved the plans, specifications and engineer's estimate; set bid opening and advertisement, and authorized the Deputy CAO/Director of Public Works to award and sign the contract with the qualified low bidder for the Two Bar Road PM 1.13 Storm Damage Repair project, FEMA project #SZSC45C.

### **Analysis**

The project was advertised in accordance with the Board's direction, and on July 30, 2020, the Department of Public Works received 3 bids. The lowest bid received in the amount of \$450,346 was from Reber Construction Company Inc., of Santa Cruz, California. The engineer's estimate was \$476,560. A bid summary is attached for reference. On September 14, 2020, the Deputy CAO/Director of Public Works awarded Contract No. 21D0514 to Reber Construction Company Inc., in the amount of \$450,346.

Two Bar Road at PM 1.13 was damaged in the 2016-2017 storm events. This project will restore the roadway to its pre-disaster conditions by constructing soldier pile retaining wall, guardrail, pavement replacement, striping, erosion control and revegetation and drainage improvements in the unincorporated area of Santa Cruz County. The Department of Public Works has received authorization from FEMA to proceed with construction of the project.

### **Financial Impact**

The cost for Contract No. 21D0514 is \$450,346 under GL 621217/62330. An Emergency Relief Grant through FHWA will cover a majority of the costs for the project. SB1 funds will cover the local match. The GL account is 621217/62330.

**Strategic Plan Elements****3.A (Reliable Transportation: Regional Mobility)**

The installation of steel soldier pile walls will restore the road to pre-disaster conditions.

**3.C (Reliable Transportation: Local Roads)**

The Department of Public Works is working diligently to provide safe roadway conditions, and repairing roadways damaged during storms is part of that goal.

**Submitted by:**

Matt Machado, Deputy CAO/Director of Public Works

**Recommended by:**

Carlos J. Palacios, County Administrative Officer
